

**Appropriate Usage for your Facility**

Service door can be installed for personnel pass.

**Centred Service Door**

**Right and Left Installed Service Door**

**Personnel Doors**

Personnel pass doors ease the personnel entrance and exit, without opening the whole door.

**WINDOW SYSTEMS**

Windows can be installed, as per requests. Windows provide big lighting advantage. Number of the Windows can be increased, as per the light requirement.

**AERATION AND DOOR HANDLES**

Different colour and models of door handles can be used. Aeration doorways can be applied to ease the aeration system, as per the requirement.
